They were prompt, friendly and informative. The patch of asphalt on the drive was the best we have ever had. I have had the driveway done before several times. The job Harold did was by far the best looking and the best price.</p> <p><a href="#">Add Your Comments to This Review</a></p>
04/19/2022	<p style="text-align: center;">5.0</p> Quality: 5.0 Customer Service: 5.0 Value for Money: 5.0	<p>Review by David M. in Fort Collins, CO</p> <p>Project: Seal Asphalt</p> <p>Comments: Best Way is a family owned company that takes great pride in their work. I have dealt with other companies that want to finish a crack seal quickly so they can move on to the next job - speed is the top priority. Best Way does not operate that way. They did a seal coat on my asphalt driveway 2 years ago and it has held up very well. I just had them out to do a crack seal on cracks that developed over the winter and they did a superb job with that as well. They filled in the largest crack with sand before filling. They did not rush the work and ensured that every crack was taken care of. I strongly recommend them!</p> <p><a href="#">Add Your Comments to This Review</a></p>

We were very concerned about a large crack that developed in our driveway last winter. Of all the companies we contacted Harold was the only one who had an approach that I was convinced would work. The work was first rate and the follow up was timely and complete. Don't go with drive thru companies that show up and leave with no followup. I strongly recommend Best Way Seal Coat and Crack Repair!</p> <p><a href="#">Add Your Comments to This Review</a></p>
